

LAKHERA GLOBAL SERVICES PVT. LTD.

Lakhera Global Services Pvt. Ltd. is an Indian company operating across national and international markets, engaged in multiple business verticals. The company provides strategic advisory, consulting, software and IT solutions, AI automation, marketing strategy, and merger & acquisition support to organizations across diverse industries.

Lakhera Global Services works with enterprises, educational institutions, real estate developers, and government and private sector partners, supporting business growth, digital transformation, and long-term operational sustainability.

WHAT THE COMPANY DOES

Lakhera Global Services Pvt. Ltd. supports organizations in designing, executing, and scaling operations across multiple ventures through strategic advisory, consulting, software designing & development, IT solutions, AI automation, marketing strategy, and merger & acquisition support for small businesses. The company follows a data-driven, governance-led approach, delivering customized strategies aligned with long-term business goals.

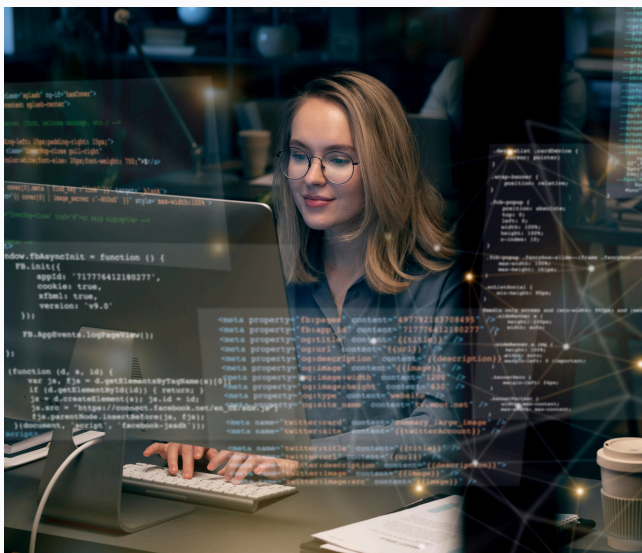

Lakhera Global Services works with educational institutions, enterprises, real estate developers, and mining operations, collaborating with government and private sector stakeholders to deliver institutional branding, digital transformation, AI-enabled automation, compliance support, and operational efficiency. Through structured and mandate-driven engagements, the company enables sustainable growth across diverse verticals.
